On April 15th at 9pm WTNG will start streaming online at USTREAM via our blog and officially go live on-the-air at 89.9 FM in Chicago's Wicker Park neighborhood from 9am to 9pm for our "flash" store celebrating Record Store Day.

As you can see we are going to be spinning your favorite Numero tracks, loads of unreleased outtakes & demos, copuled with vintage commercials, weather reports, air checks, and news updates.

Haven't you been dying to hear the commercial for Midwest Floor and Tile backed by the South Shore Commission?

So please tell everyone to tune into WTNG on April 16th around the globe as we hit the airwaves hard to celebrate Record Store Day.
